

eReferral Support in Erie St. Clair

The **West Deployment Team** at the eHealth Centre of Excellence, along with change manager support from Ontario Health West, supports deployment of eReferral in Erie St. Clair.

DID YOU KNOW?

TransForm Shared Services Organization is the Regional Lead in Erie St. Clair supporting the deployment of eConsult. If you are interested in sending eConsults for specialist advice through the Ocean-to-OTN integration, or if you are a specialist interested in responding to eReferrals as an eConsult where appropriate, please connect with us at eReferral@ehealthce.ca. Our eServices team will partner with TransForm to coordinate your onboarding and provide you with training and ongoing support.
